Biographies of Speakers

Tim Field, Ph.D. is an author, consultant, educator, and vocational expert within the private and public rehabilitation sector. He resides in Athens, Georgia, and has been the President of Elliott & Fitzpatrick, Inc. since 1987. In recent years, Dr. Field has concentrated on authoring books and developing related resources through printing and publishing for professionals in the rehabilitation industry. He is a frequent speaker to professional groups and organizations.

Anthony Choppa, M.Ed., is a founding partner of OSC Vocational Systems, Inc. located in Seattle, Washington. Mr. Choppa is a Case Manager, Life Care Planner and Vocational Rehabilitation Counselor. Mr. Choppa has authored several articles and books related to vocational rehabilitation, expert testimony, and life care planning. Mr. Choppa is a co-manager of a large staff of rehabilitation professionals who provide a variety of rehabilitation services in the areas of workers' compensation, injury, case management, veteran's services, and longshore cases.

DISCLAIMER: Views and opinions expressed by speakers are not endorsed by NE IARP but are for educational purposes to assist the audience to make informed decisions.
